**TITLE:** Funeral record book

**DATES:** 1913-

**ARRANGEMENT:** Chronological by funeral date.

**DESCRIPTION:**

This single volume was originally maintained by an unidentified funeral home and is now in the custody of the municipality. It details information about the deceased as well as funeral and burial arrangements. Information about the deceased includes name, date of birth, place of birth, age at time of death, occupation, names of parents, mother's maiden name, date of death, place of death, cause of death and certifying physician. Funeral and burial information is arranged in the form of a list of services with a column to detail the charge for each service selected. It includes type of coffin or casket, various types of services performed to prepare the body for burial, transportation, flowers, grave site preparation, newspaper death notices and music. Also included are name of officiating clergyman, names of pall bearers, name of cemetery, and section, lot and grave number. There is an index in the front of the volume where names of the deceased are listed alphabetically by first letter of last name. Several pages have been razored out and others have been cut in half.

**TITLE:** General plan

**DATES:** 1995-

**ARRANGEMENT:** By subject

**DESCRIPTION:**

These are comprehensive plans for municipal development adopted by the city commission. "Each municipality shall prepare and adopt a comprehensive, long-range general plan for present and future needs of the municipality; growth and development of the land within the municipality or any part of the municipality" (UCA 10-9-301(1) (1997)). "The planning commission shall make and recommend to the [city commission] a proposed general plan for the area within the municipality" (UCA 10-9-302(1)(a) (1997)). The plans serve as a guide for decision-making on rezoning and other planning proposals and as the goals and policies of municipalities attempting to guide land use in local jurisdictions. The plans include "planning commission's recommendations for the development of the territory covered by the plan, and may include, among other things: (a) a land use element; (b) a transportation and circulation element; (c) an environmental element; (d) a public service and facilities element; (e) a rehabilitation, redevelopment, and conservation element; (f) an economic element; (g) recommendations for implementing the plan, including the use of zoning ordinances, subdivision ordinances, capital improvement plans, and other appropriate actions; and any other elements that the municipality considers appropriate" (UCA 10-9-302(2) (1997)). The plan may also include maps, plats, and charts.
