TITLE: Suspect profile

DATES: 1991-

ARRANGEMENT: Alphabetical by last name

ANNUAL ACCUMULATION: 1.00 cubic foot.

DESCRIPTION:

These suspect profiles contain information on potential suspects when a pattern of criminal behavior can be identified or a physical characteristic is identified by a witness, but the full description of criminal activity was not given. The motor vehicle enforcement divisions investigative staff develops the methods of operation for identifying these criminal activities and creates a list of potential suspects.

RETENTION:

3

TITLE: Utah licensed and bonded dealers sales report

DATES: 1986-

ARRANGEMENT: Chronological

DESCRIPTION:

This is a report submitted by motor vehicle dealers reporting the sale and delivery of any new or used motor vehicle, as required by UCA 41-3-2(2). This is used by the division in pursuing actions against dealers in cases of fraud such as alteration of mileage odometer readings. This form is also used as an input document to the data system. This record includes the names and addresses of the buyer and dealer, a description of the vehicle sold, whether the vehicle was new or used, the odometer reading at the time of sale, the date of sale, and the signature of the seller.

RETENTION:
