3

TITLE: Judgment docket books

DATES: i 1895-

ARRANGEMENT: Alphabetical by name.

ANNUAL ACCUMULATION: 0.10 cubic feet.

DESCRIPTION:

These volumes serve as an alphabetical index to judgments rendered by the Fifth Judicial District Court in and for Millard County. Case information includes the name of the judgment debtor, the name of the judgment creditor, the register number, the court where filed, the date of judgment, the original date of docketing (for cases docketed outside the fifth district), the date of docketing in the fifth district, the amount of the judgment, the book and page number in the judgment record, the date appealed, the judgment of the appellant court, and satisfaction.

Volumes were used simultaneously, resulting in a considerable overlapping of the dates cases were initiated. As index sections for more commonly used letters were filled, the clerks began making entries in a newer volume while continuing to make other entries indexed under less commonly used letters in the old one. The first four volumes in the series are stored at the Utah State Archives. Cases in volume 1 date from 1895, those in volume 2 date from 1923, those in volume 3 date from 1937, and those in volume 4 date from 1959. Entries in volume 4 state that a fifth volume is now in use by the agency.
